Sidenhill Close is a small cul-de-sac located on the popular 1970's development 'Demontfort Park' built by Greaves and Lovell Homes. There is an excellent choice of schools in the area, with Woodlands Infant and Shirley Heath Junior schools both within walking distance and within the catchment area (subject to confirmation from the Education Authority).

The property is ideally located for a host of leisure and retail facilities, including the nearby Sears Retail Park and renown Touchwood Shopping centre that has an array of popular retail names. Residents are spoilt for choice for supermarkets with several options within a 10 min drive including Sainsbury's, Asda, Tesco, Aldi and Waitrose.

Transport links to the property offer multiple options for commuters into Central London and Birmingham City centre with a number of train stations within a 2-mile radius.. Road links are also convenient with easy access to junction 4 of the M42 and Birmingham airport.

An ideal location therefore for this well maintained, extended and improved detached house which occupies a generous corner plot which is set back from the road behind a deep block paved driveway flanked by a lawned fore garden which extends around the side of the property along Micklehill Drive. The driveway leads to the garage and to a UPVC double glazed front door which opens directly to the
