Description

The Convent was completed by bespoke developers Wavensmere Homes in 2017 which comprised of the redevelopment of 'Poor Clares Convent' and building similarly styled property within the grounds to compliment the beautifully tended and manicured grounds and gardens and to retain the history and baroque style of the architecture.

All 18 properties within The Convent are individually designed; each with their own heritage and historic architecture. Original features have been retained throughout the whole scheme, including gothic arches, stained glass windows, cathedral ceilings and a stunning porte cochère.

The focal point of The Convent is a secluded and picturesque courtyard, with vibrant cherry trees and a soothing fountain – offering an exceptional journey through the development and a bespoke take on surrounding rural Warwickshire.

It is from this courtyard area that this superb ground floor apartment is accessed. Having a shared entrance lobby with direct access to the independent reception hallway. The property has a good sized living area with a high quality shaker style integrated kitchen having quartz work surfaces. There are original height high ceilings and the whole room is filled with natural light from the full height bi-folding doors which open to the independent courtyard garden area which provides excellent outside space just for the use of this property. There is double bedroom with a fantastic original leaded light gothic arched window and dressing area and a contemporary modern bathroom. The property is heated via underfloor heating provided by a heat pump system and there is audio wiring and ceiling speakers throughout the living space. There are two allocated parking spaces located within the secure gated communal parking area. There is little doubt that properties of this calibre rarely come to the market and this should be viewed at your earliest opportunity to be appreciated. Offered for sale with no upward chain and ready for immediate occupation; if you are looking for a 'dream home' with a more realistic price tag then look no further than this property.
