Wagon Lane
Olton
Offers Around £285,000

Description

This most individual Mews style property is situated in this unique development which backs onto Lyndon Playing Fields. The deceptively spacious accommodation really does need to be seen to be appreciated to appreciate the accommodation on offer which has features of properties usually found in a much higher price band including a ground floor WC, utility room and a good sized private rear garden with an open aspect beyond.

The property is situated in a courtyard style development which was designed to recreate the farm buildings of the original farm. Wagon Lane leads to both the A45 Coventry Road and the A41 Warwick Road, via Richmond Road in Olton. Along the A45 is a wide choice of shopping facilities and restaurants and regular bus services operate along here to the city centre of Birmingham.

Travelling away from Birmingham along the A45 one will come to the National Exhibition Centre, Motorcycle Museum, Birmingham International Airport and Railway Station and junction 6 of the M42 motorway which forms the hub of the national motorway network.

The A41 Warwick Road gives access to Olton Railway Station which provides services to Birmingham and beyond and travelling towards Solihull one will come to the popular Dovehouse parade of shops serving everyday needs.

To the front of the property is a car port and parking area and the internal accommodation benefits from high ceilings and a feature arched glazed window to the rear. Being sold with no upward chain; this superb property really needs to be viewed to be appreciated.
